STAT

Thank you for bringing to my attention the difficulties you had during your employment with the Agency. As a result of your letter, the Inspector General's Office will be examining the circumstances you described and the management practices in OGI to determine where and what improvements are called for.

It is unfortunate that your experience here was not more rewarding. Rest assured, however, that I wish you much success and reward in the future.

Sincerely,

/s/ William J. Casey
